TERMS AND SHIPMENT

We exercise the greatest care to have everything true to name and will replace free, or refund the money, on any stock untrue to name. If for any reason you are dissatisfied with the stock when received, return it and your money will be refunded.

These prices are F. O. B. Portland, Oregon. Express is the best method of shipment for all except local and small parcels. Tulips and Narcissi carry safely by freight if the weight is enough to make it profitable. Minimum order is \$1.00. Lily seed is prepaid.

Twenty-five bulbs sold at 100 rate; 12 bulbs at one-sixth the 100 rate. No item less than 20 cents. Tulips and Narcissi are sold f.o.b. Portland, Oregon, and all offers are subject to prior sale.

Sizes are given in inches for the convenience of my customers. If you wish to compare with sizes given in centimeters of circumference, multiply size given by 8, thus 1¼ inches up is 10 to 12 cm., and 1-1¼ inches is 8 to 10 cm.

For weight of shipment see estimates given below varieties. Bulbs take second-class express rate.

(Abbreviations for type of Tulips—(S E) Single Early; (B) Breeder; (D) Darwin; (M) May Flowering; (L) Lily Flowered.

Dear Customer,

Tulips make gay splotches of color in spring gardens, and your own garden can be greatly enlivened by choosing from this catalog such colorful true-to-name varieties as strike your fancy.

For much earlier flowering, golden narcissi make sunny spots, and scilla and muscari bring out exclamations of delight from all flower lovers.

Since the passing of Father last spring our family is "carrying on", for we practically grew up in the gardens; hence we are prepared to give you the same high quality, prompt service, low prices, and we share his anxiety to have customers become friends.

Why not order now and beautify your garden with brilliant flowers from these dependable bulbs?

Sincerely,

M. J. Pettin
